## **Patient Education Day Details**

**Cost:** This event is free and is open to all patients, caregivers, and others interested in learning about the role of nuclear medicine in diagnosing and treating disease.

**Additional Programming:** In addition to covering prostate cancer, this event will include sessions on breast cancer and neuroendocrine tumors. For a full program, visit [www.snmami.org/ped](http://www.snmami.org/ped).

**Location:** McCormick Place Lakeside Building, 2301 S. Lake Shore Dr., Chicago, IL 60616

**Parking:** McCormick Place Lot C (6'4" height clearance) is an underground garage located on Ft. Dearborn Drive adjacent to the Lakeside Center. The lot is open throughout event hours at a rate of \$25 per day with no in-and-out privileges; **please note that Patient Education Day staff will validate your parking for the day, so there will be no cost.** The McCormick Place Convention Center also is served by Chicago's [Metra Commuter Rail Electric Line](http://www.metrarail.com).

**Virtual Attendance:** Sessions noted as available virtually will be streamed live on YouTube. Comments will be monitored, allowing virtual attendees to ask questions of the speakers. Links to each virtual session will be sent out to registrants the week of the event.

**Registration:** Registration is required for in-person attendance and highly encouraged for virtual attendance. For more details and to register for this FREE event, visit [www.snmami.org/ped](http://www.snmami.org/ped).
